Filled by God, poured out for His purpose

VESSELS is passionate about disciplining the next generation of women by equipping tween girls with God's truth about their identity, value and purpose. In a fast-paced club environment, girls learn how they can be VESSELS—filled by God so they can be poured out for His purpose. Girls learn about women of the Bible, craft, sing, dance and earn jewelry. But, in the fun and fancy, the glitter and glue, God is transforming the lives of young girls.

A PLACE TO BELONG

Meetings have a club feel, without being exclusive or having the pressure of mandatory attendance. Each week's lesson and craft can stand alone, and girls can step into the program any time of the year, making it easy to invite friends.

FOUNDATION OF TRUTH

Girls will study more than 50 biblical women over three years, discovering practical ways to live out their faith and how God wants to use them, too, as part of His big story.

CREATED ON PURPOSE FOR A PURPOSE

We were created to bring God glory and to honor him—and that starts now. Girls learn that they have purpose as a daughter, sister, friend, student, teammate, and more. And in all these roles, the goal is to live in a way that glorifies God.

GIRLS EARN KEEPSAKE JEWELRY

Girls earn their VESSELS necklace by memorizing scripture. Each year, they continue to build their necklace, adding more elements and charms. It's a keepsake they will cherish forever.
